2024 - 2025

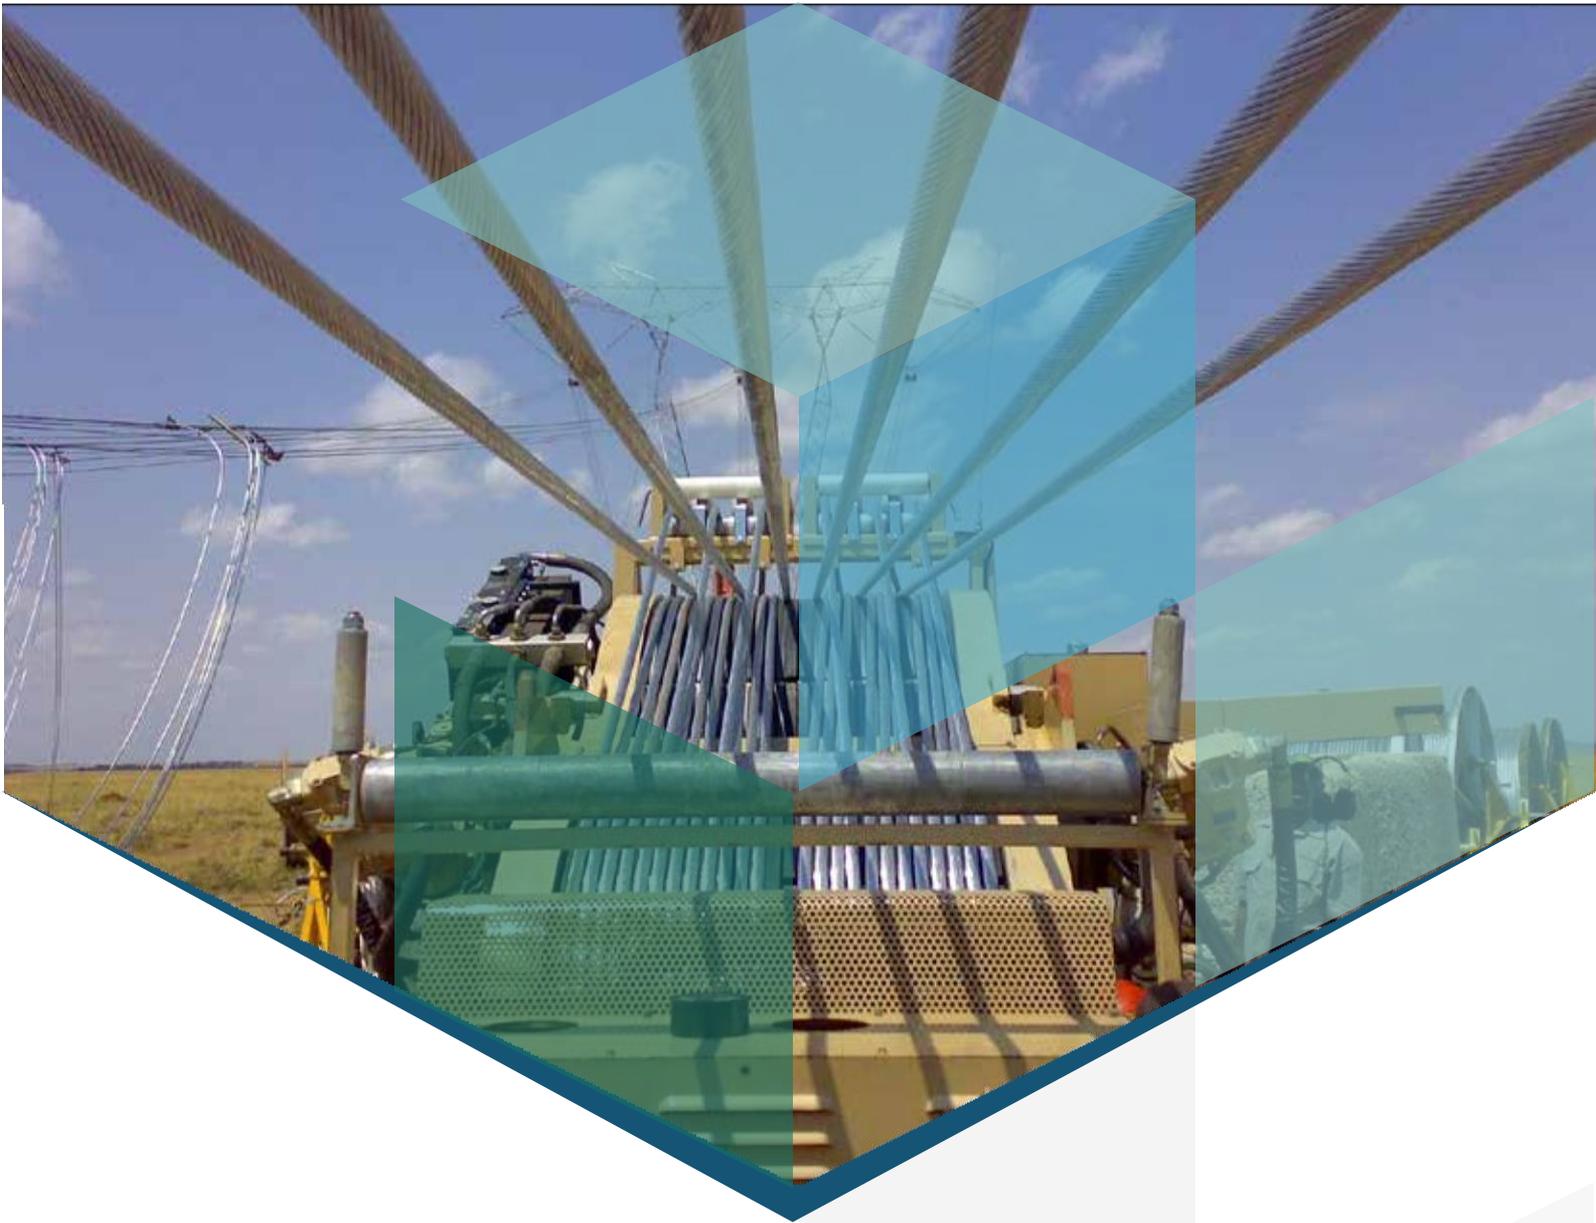

Tower Foundation
Tower Shorting Out & Bundling Works
Tower Ground Assembly
Tower Erection
Tower Tightening & Pal nut fixing
Stringing of Conductor, OPGW
Re Conductor Work

WHO WE ARE

We take this opportunity to introduce TOP ARABIAN ISLAND CONSTRUCTION CO. For General Contracting, as a construction establishment, having capability and expertise executing projects in the field of Civil, Over-Head Transmission Line (OHTL) and OPGW, from foundation to the Pall Nut including Assembly, Erection and Stringing. We have a stable financial base & experienced staff, well versed with the stringent requirements of various projects.

OUR AREAS OF INTEREST

- We have skilled crews for all kind of foundation work for OHTL and Substation.
- We are having skilled workers for tower foundation and also having capabilities to execute the emergency job of stringing activities and other installation work.
- Safety and security of lives and goods during work is utterly important in our establishment.
- Our second aim to always maintain the quality of work according to the specifications and requirements of client.
- We are having courage to meet any challenge for HT and LT job.
- We hereby assure that any project entrusted to us will be handled professionally to the entire satisfaction of the clients for continued support in the years to come.

MISSION STATEMENT

TOP ARABIAN ISLAND CONSTRUCTION CO. is committed to quality, value and services are of the highest possible standard. We aim to provide a skilled and enthusiastic team committed to get a job done on time and high standard all in a client friendly manner.

Quality

SAFETY PREVENTION PROGRAM

QUALITY POLICY

We are committed to the highest quality standards in the Project Management & Execution of Projects for Customer Satisfaction.

Quality is our basic strategy for future growth and Continual Improvement through the compliance with International Standards for Quality Management System.

We are dedicated to provide better quality life for stau, green environmentfor society.

OCCUPATIONAL HEALTH AND SAFETY POLICY

We requires the active commitment to and accountability for, QHSE from all employees and contractors. Line management has a leadership role in the communication and implementation of, and ensuring compliance with, QHSE policies and standards.

OCCUPATIONAL HEALTH AND SAFETY POLICY

We are committed to

- Protect, and strive for improvement of, the health, safety and security of our people at all times.
- Eliminate Quality, non-conformances and HSE accidents.
- Meet specified customer requirements and ensure continuous customer satisfaction.
- Set Quality & HSE performance objectives, measure results, assess and continually improve processes, services and product quality, through the use of an effective management system.
- Plan for, respond to and recover from any emergency, crisis and business Disruptions.
- Minimize our impact on the environment through pollution prevention, reduction of natural resource consumption and emissions, and the reduction and recycling of waste.
- Apply our technical skills to all HSE aspects in the design and engineering of our services and products.
- This Policy shall be regularly reviewed to ensure ongoing suitability. The commitments listed are in addition to our basic obligation to comply with company as well as all applicable laws and regulations where we operate.
- This is critical to our business success because it allows us to systematically minimize all losses and add value for all our stakeholders.

ENVIRONMENTAL POLICY

TOP ARABIAN ISLAND CONSTRUCTION CO. is committed to provide a quality service in a manner that ensures a safe and healthy workplace for our employees and minimizes our potential impact on the environment.

We will operate in compliance with all relevant environmental legislation and we will strive to use pollution prevention and environmental best practices in all we do.

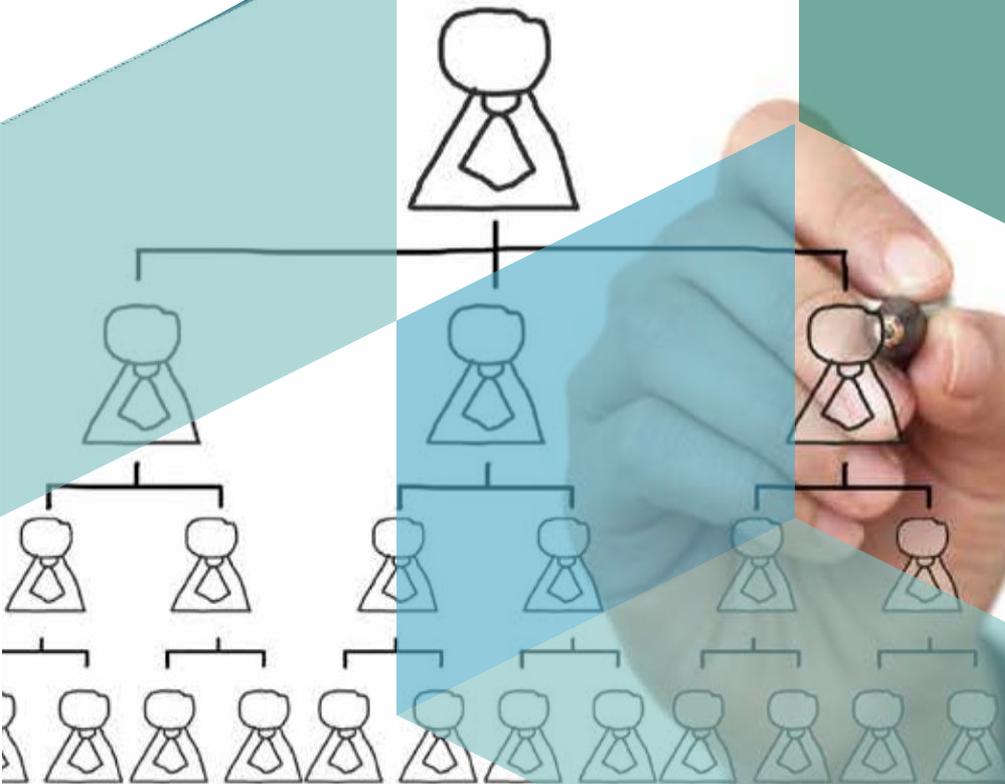

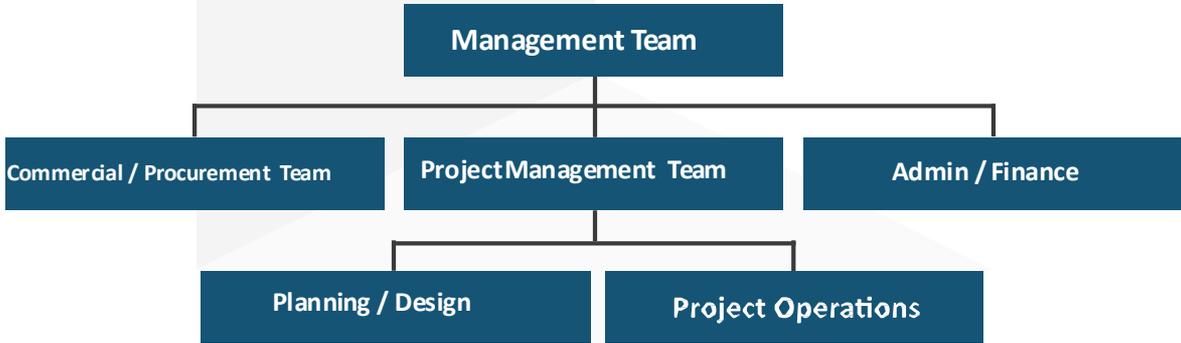

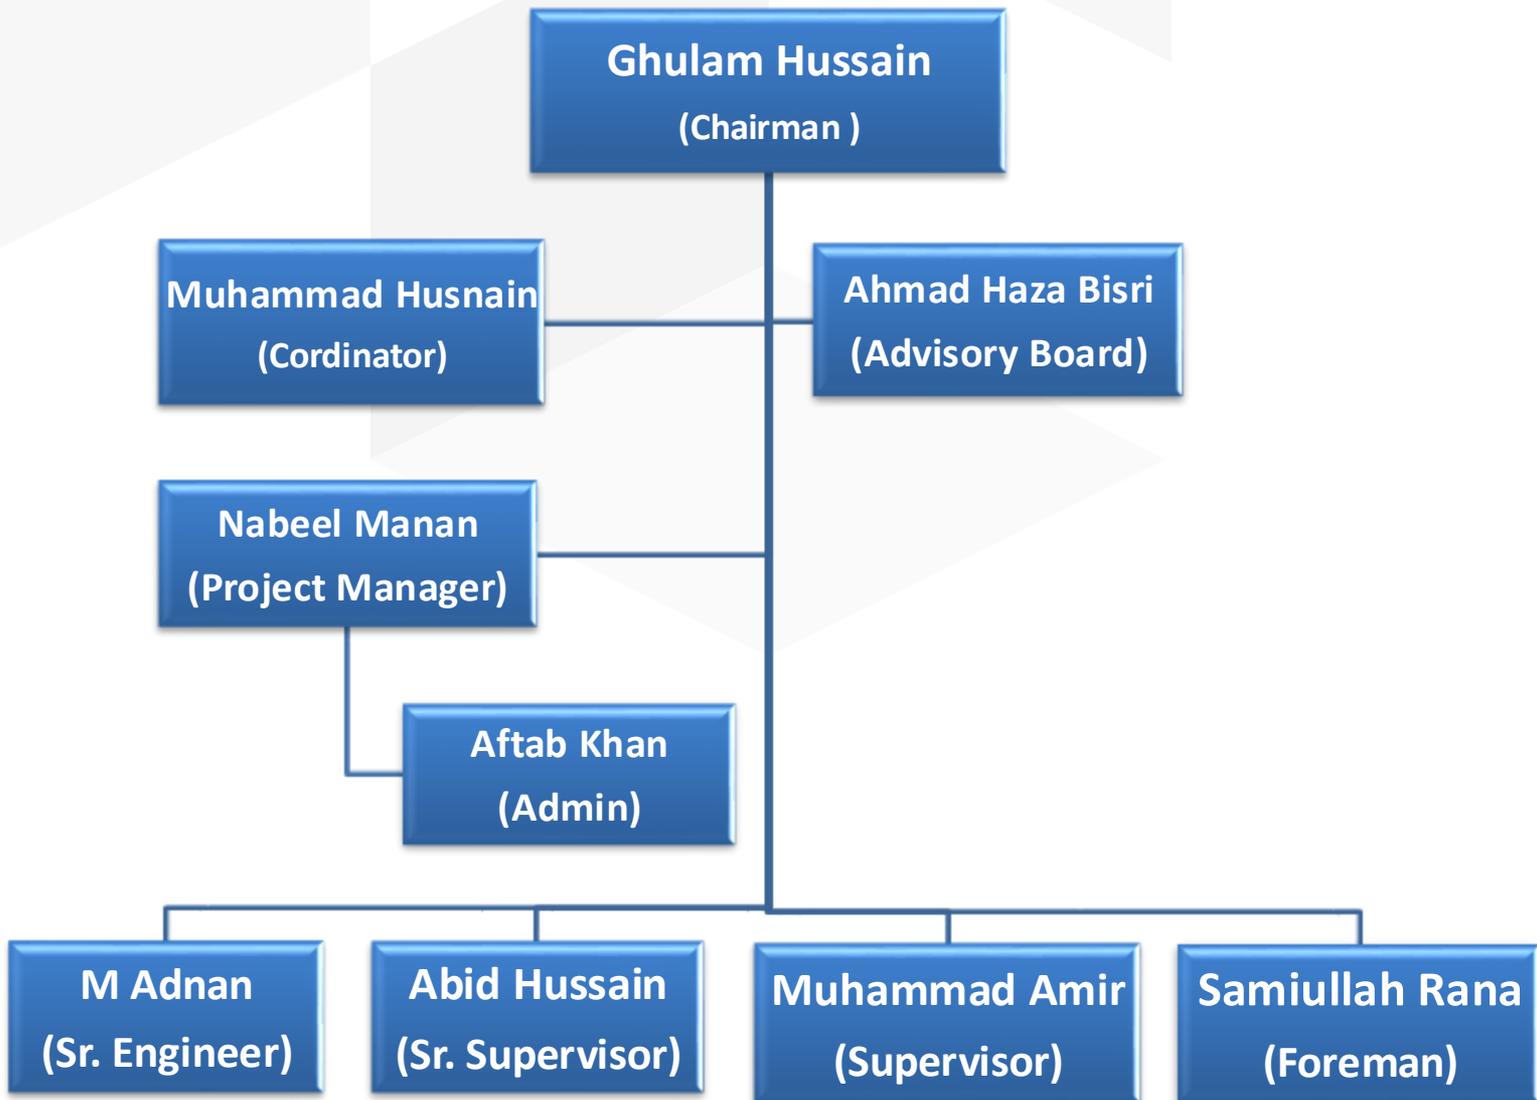

ENVIRONMENTAL POLICY

We will :

- Integrate the consideration of environmental concerns and impacts into all of our decision making and activities,
- Promote environmental awareness among our employees and encourage them to work in a responsible manner.
- Train, educate and inform our employees about environmental issues that may Auect their work. Reduce waste through re-use andrecycling.
- Promote eficient use of materials and resources throughout our facility including Water, electrici-ty, raw materials and other resources, particularly those that areNon-renewable.
- Avoid unnecessary use of hazardous materials and products, seek substitutions When feasible, and take all reasonable steps to protect human health and the Environment when such materials must be used, stored and disposed of.
- Purchase and use environmentally responsible productsaccordingly
Where required by legislation or where significant health, safety orenvironmental
- Hazards exist, develop and maintain appropriate emergency and spill response Programs.

The background features a large, abstract geometric design. At the top, a solid blue shape tapers downwards. Below it, several light gray, semi-transparent geometric shapes (triangles and polygons) are arranged in a pattern that suggests depth and perspective. The bottom of the page features a solid blue shape that tapers upwards, mirroring the top element. The overall aesthetic is clean, modern, and professional.

VENDOR

NATIONAL POWER CONSTRUCTION CORPORATION. (NPCC)

SEC-WOA CONTRACT No. 4400010772

CONSTRUCTION OF 380KV D/C OHTL BETWEEN MDS – TBH PP & TBH PP – MDE

SERVICE AGREEMENT

This agreement is signed on the 19th day of May 2019, by and between:

M/s. National Power Construction Corporation Limited, herein-after referred to as "NPCC" and having their Jeddah office address as, P.O. Box 31220, Jeddah-21497.

&

M/s. Top Arabian Island Construction CO., hereinafter referred to as "M/s. TOP ARABIAN" and having their Makkah office address as, P.O. Box 885, Al Jamoom-21926.

Whereas NPCC has been awarded Project under Contract No. 4400010772 for the Construction of 380 kV D/C Overhead Transmission Line Between MDS – TBH PP (CKT-I) & TBH PP – MDE (CKT-I), Kingdom of Saudi Arabia, herein - after referred to as "**The Project**" by Saudi Electricity Company herein-after referred to as "**SEC**". Whereas appointed Consultants for the said project will be hereafter referred to as "**Consultants or Engineers**".

Whereas **M/s. Top Arabian** have represented themselves to have the capacity, knowhow, resources and are willing to undertake the Tower Ground Assembly, Tower Erection, Tower Tightening and Installation of Pal Nuts for subject Project.

The parties have agreed as follows:

1- SCOPE OF WORK:

The Scope of Work for this agreement includes Tower Ground Assembly, Tower Erection, Tightening and Installation of Pal Nuts) for 210 No. Steel Towers (Approx. 6,500MT) as per approved designs / drawings supplied by NPCC, in compliance with related SEC-WOA Standards & Specifications.

NPCC RESPONSIBILITIES:

- Provision of Tower Material / Pal Nuts as per site requirement.
- Provision of Approved Shop & Erection Drawings of Towers.
- Provision of Cranes for Tower Assembly/Erection.
- Provision of site watchman to safeguard tower material.

M/S. TOP ARABIAN RESPONSIBILITIES:

1. Supply of adequate / skilled manpower for assigned works.
2. Provision of food, accommodation, transportation etc. for their personnel.
3. Inspection of towers from Client / Consultants and clearance of Punch List.
4. Provision of TUV certified riggers for Tower Assembly & Erection activity.
5. Provision of all required Tools & Plants certified by Third Party.
6. Provision of Work at height Training Third Party Certificates for Personnels working on Towers.
7. Provision of Medical Fitness Certificates for deployed Personnels.

VENDOR

NATIONAL POWER CONSTRUCTION CORPORATION. (NPCC)

SEC-WOA CONTRACT No. 4400010772

CONSTRUCTION OF 380KV D/C OHTL BETWEEN MDS – TBH PP & TBH PP – MDE

SERVICE AGREEMENT

8. Provision of proper Safety PPEs as per SEC-WOA Specifications/Standards
 9. Provision of full body safety harness with double lanyard having big hooks and shock absorber.
 10. Provision of Safety Engineer.
 11. Provision of List containing Workers name, nationality, profession on Iqama, SEC ID Card and Iqama copies of all workers
 12. To ensure that Safety Induction Training of all workers is conducted by M/s NPCC Safety officer, before commencing the work.
 13. To conduct Daily Tool Box before start of work on daily basis to aware workers regarding type of work, associated risks and their control measures.
 14. Provision of Record of Daily Tool Box talk on daily basis.
 15. Any change/replacement of worker shall be notified to NPCC in advance prior to shifting. Further, any new worker shall not start work until receipt of Safety Induction Training from NPCC Safety Officer.
 16. Special care shall be adopted to avoid any mishandling/damages of Materials during Site execution and in case of same, M/s. Top Arabian shall be responsible.
- 2- **TECHNICAL SPECIFICATIONS AND GENERAL CONDITIONS:**
- 2.1) All Works shall be executed in full compliance with SEC-WOA Project Technical Specifications (PTS) and General / Special Conditions of the Contract signed between NPCC & SEC, which shall be applicable on this agreement.
 - 2.2) M/s. Top Arabian acknowledges that they fully understand the Specifications, General / Special Conditions and other Project requirements.
 - 2.3) It is clearly understood that SEC-WOA is the owner of the Project and appointed Consultants are SEC Representatives. Hence, compliance with any instructions issued by SEC-WOA / Consultants or NPCC is obligatory for M/s. Top Arabian.
 - 2.4) M/s. Top Arabian understands that approvals accorded by SEC-WOA / Consultants / NPCC are for general confirmation with the Contract terms and Specifications and does not relieve M/s. Top Arabian of their responsibility for any errors and for fulfillment of detailed requirements of the Contract documents.

3- **RATE & PAYMENT TERMS:**

Sr. No.	Description	Approx. Wt. (MT)	Unit Rate (SR)	Total (SR)
1	Tower Assembly, Erection, Tightening and Installation of Pal Nuts			
	VAT (5%) (SR)			
	Grand Total (SR)			

M/s. Top Arabian will be paid at 30 days against verified monthly invoice for the completed work at the fixed unit rates as mentioned above.

4- **COMPLETION PERIOD:**

- 4.1 M/s. Top Arabian will immediately mobilize to NPCC Site upon receipt of instruction from NPCC.
- 4.2 Working hours may be up to 10 hours per day or more as per work requirement.
